Confidentiality Claim

C&W is filing this application in confidence with the Authority. The marketing plans of C&W are information that is of a commercial nature and is consistently treated in a confidential manner by C&W until they are implemented. C&W's competitors and potential competitors would gain advance knowledge of C&W's marketing and pricing plans, even before the information could be made available to C&W's customers or to the general public. This would enable them to develop competitive and targeted marketing and pricing responses, even before C&W would be able to implement its own plans.

An abridged version of this document will be filed. All confidential information has been replaced by "###". As mentioned above, an abridged version of General Tariff Item ### will not be provided.

Please contact me should you have any questions.

Yours faithfully,
